The screenshot shows a web browser window with the URL <https://getfedora.org/en/server/>. The page features the Fedora logo and the word "SERVER" in a large, bold font. Below this, there is an illustration of server racks. To the right of the illustration, the text "Fedora Server." is displayed, followed by a description: "Run applications on bare metal or the cloud with a Linux server OS packed with the latest open source technology." A red arrow points to a "Download Now" button. At the bottom of the page, there is a section titled "Leading Edge" with a paragraph describing Fedora Server as a short-lifecycle, community-supported server operating system.
